The space to delight with a short story is far less than that given to a novel. The best novel can be flawed in some parts and yet emerge triumphant in its totality. Such a posture can totally ruin a good short story. The best short stories are perfection itself. Here are five short story collections from Ghana that everyone should read: 1.

## Five Recommended Short Story Collections by Ghanaian Writers

16th June 2013 Sophie Playle. Many writers start with short stories before they move onto novel writing. Short stories are great to start with because they take less time to write and usually require a less complicated structure, letting you develop your storytelling skills in a more manageable way.

...

Obviously, the short story is short; the novel is long. But while short fiction typically ranges from 1,000-5,000 words, there's another kind of length to discuss: time frame. One of the most prevalent characteristics of a short story is a concentrated time frame. A few hours, a day, a week. A short story that spans years or generations ...
