A Text Book of Botany by Singh Pande Jain

Editor's Notes. March 05, 2019: Botany is a complex and broad discipline, so we selected informative textbooks that catered to different branches, such as Medical Botany: Second Edition, Principles of Genetics and Breeding, and Plants in Our World. For autodidacts and those looking to cut their teeth on home gardening and identification, we included instructive volumes like Botany For Gardeners ...

I got on a "re-read Nordhoff & Hall" kick recently and decided to write a review on another one of my N/H favorites of long ago, "Botany Bay". It is a most excellent book, well worth recommending as solid, captivating literature.

Botany Bay: Nordhoff, Charles, Hall, James Norman ...

It covers complete botany courses followed at the pre-university, intermediate, pre-medical, and higher secondary levels, where topics have been dealt with on the basis of recent research. | This popular textbook of botany familiarizes students with the Latin and Greek technical and scientific terms that enable the students to master the ...
