Angura Posters Of The Japanese

Angura: Posters of the Japanese Avant-Garde documents the extraordinary posters created for a group of experimental Japanese theatre groups during the 1960s and 70s. Ranging from the vivid and sexually explicit images of sixties psychedelia to the subtle refinement of traditional Japanese printmaking, the posters represent a tumultuous period both in Japanese graphic arts and in Japanese society as a whole.

The angura theater posters of the day were strongly influenced by the American hippie culture. In 1968 a poster shop opened next to the Hanazono Shrine in the Shinjuku district of Tokyo. That shop had posters by people like graphic designer Peter Max, the leader of America's psychedelic art movement, and that surely had a big impact on designers of the day.
