CCNA Security Chapter 11 - CCNA Security Comprehensive Lab

The Cisco CCNA Security 210-260 is slightly more expensive than a CCNA lab with the recommended higher end devices and the ASA. There is good and bad about that. Cisco has finally started to upgrade the lab requirements beyond that of the 20 year old 2500 series routers and are getting into some of the more real world units you will see in the workplace that support some of your advanced features.
