Organelles (in class on Thurs, Sept 26th and Fri, Sept 27th) \*Class will be split into 2 groups. One group will work on the lab while the other group does something else.

## **Unit 2: Cell Biology - Mrs. Frump's Classes**

The nucleus is the dark spot in the

# Where To Download Cell Biology Weebly

centre of the cell. It stores genetic information, and controls the cell by telling the cell which proteins to make through a process called protein synthesis. In addition the nucleus also controls cell division.
