How to Use the Tool. To structure a coaching or mentoring session using the GROW Model, take the following steps: 1. Establish the Goal. First, you and your team member need to look at the behavior that you want to change, and then structure this change as a goal that she wants to achieve.. Make sure that this is a SMART goal: one that is Specific, Measurable, Attainable, Realistic, and Time ...

The GROW Model of Coaching and Mentoring - Skills From ...

The coach is not a subject expert, but rather is focused on helping the individual to unlock their own potential. The focus is very much on the individual and what is inside their head. A coach is not necessarily a designated individual: anyone can take a coaching approach with others, whether peers, subordinates or superiors.

What is Coaching? | SkillsYouNeed

It is also possible to apply skills coaching in 'live' environments rather than taking people away from the job into a 'classroom' where it is less easy to simulate the job environment. Skills coaching programmes are tailored specifically to the individual, their knowledge, experience, maturity and ambitions and is generally focused on achieving a number of objectives for both the ...
