Dawn Of The New Everything

" Dawn of the New Everything covers fascinating ideas about technology and the future, but from a very personal place. It's entirely unexpected and disarming to read about these concepts from an unabashedly subjective point of view. Reading this book inspired me to spend more time with my Vive.

It will be called The Dawn of Everything, because he wanted that. David and I became friends around 2007, an in-between time for us both. We used to meet on my regular visits to New York. David would say that every time we talked he learned something new. It's how we bonded—but in truth I was learning much more, and soon we were learning ...

David Graeber, 1961-2020 | by Astra Taylor, Marshall ...

Jaron Lanier's Dawn of the New Everything: A Journey through Virtual Reality is an odd book. Part autobiography and part anti-utopian polemic. Part appreciation of a science (virtual reality) and part critique of its industry.
