There is an old saying, “If you cannot express your idea in three sentences – you don’t have an idea!” One of the most important innovation skills is the ability to present a very short and clear description of a new idea (two to three sentences – like shouting through the closing door of an elevator) and to make a short presentation (two to three minutes – what is called an ...

5 Ways to Improve Your Creative Thinking | Top Universities

A mind map is a great way to connect ideas and look for innovative answers to questions. Create a mind map by writing down a central topic or word. Next, link related terms or ideas around the central word. While similar to brainstorming, this technique allows for branching ideas and offers a very visual way of seeing how these ideas are linked
