| International Focusing Institute

Dr. Eugene Gendlin of the University of Chicago and The Focusing Institute (www.focusing.org) called this intuitive edge of consciousness the "felt sense." He decided it was important to teach this skill of "pondering at the intuitive edge" to everyday people, to use for personal growth and creative problem solving.

COMPLETE FOCUSING INSTRUCTIONS

Quotations from the book Focusing (1978): What is true is already so. Owning up to it doesn't make it worse. Not being open about it doesn't make it go away. And because it's true, it is what is there to be interacted with. Anything untrue isn't there to be lived. People can stand what is true, for they are already enduring it.
