physics** below.

Here is an updated version of the \$domain website which many  
of our East European book trade customers have been using for  
some time now, more or less regularly. We have just introduced  
certain upgrades and changes which should be interesting for  
you. Please remember that our website does not replace  
publisher websites, there would be no point in duplicating the  
information. Our idea is to present you with tools that might be  
useful in your work with individual, institutional and corporate
