The L7590 gobbles ink cartridges even though I usually print in draft quality to save ink and then I get a message quite a while before the ink quality begins to show a need for a replacement. I have never used any ink cartridge than a new HP replacement so that didn't have any bearing on the printhead problem.

HP L7590 printer - paper not being picked up 09-28-2010 09:31 AM. I had the same problem. I removed the power. I took off the back access panel and cleaned both the large and small rollers with a soft rag and water. I then opend the front access top. I did the same thing with the rollers. These rollers were loaded with ink residue on them.
