September The  
"One Day in  
September" is a 1972  
phenomenal  
documentary. Its focus  
is on the hostage  
situation during the  
1972 Munich Olympics  
when Palestinian  
terrorists took Israeli  
athletes prisoner. The  
film does something  
which I think any great  
documentary should  
when it covers or  
explores historical  
events.
