Think For Myself

As you may have already concluded, thinking for yourself is not easy. It requires deliberate, mindful and at times courageous application, however, the personal rewards are endlessly gratifying. In the words of John Stuart Mill: "Truth gains more even by the errors of one who, with due study and preparation, thinks for himself, than by the true opinions of those who only hold them because they ...

How to Think for Yourself - Essential Life Skills.net

The term "holistic thinking" refers to a big picture mentality in which a person recognizes the interconnectedness of various elements that form larger systems, patterns and objects. Thinking holistically is the opposite of analyzing something, which involves breaking down a larger system into its details.
