### Why people believe weird things | Michael Shermer - YouTube

Smart people believe weird things because they are skilled at defending beliefs they arrived at for non-smart reasons. That is to say, most of us most of the time come to our beliefs for a variety of reasons having little to do with empirical evidence and logical reasoning (that, presumably, smart people are better at employing).

### Why Smart People Believe Weird Things--Prof. Shermer

Why do smart people believe weird things? Because, to restate my thesis in light of Bacon's insight, smart people believe weird things because they are skilled at defending beliefs they arrived at for non-smart reasons.

### Why People Believe Weird Things: Excerpt » Michael Shermer

According to Shermer, the number one reason why people believe weird things is because they're smart – they have a high IQ or they have an exceptionally creative intellect. Because he can rationalize away evidence, an intelligent person is better able to defend weird ideas to himself.
